Clare Castle Excavations

Thursday 22nd May – Friday 31st May 2013

As part of the Heritage Lottery Funded Managing a Masterpiece project, this May Access Cambridge Archaeology (ACA) will be giving members of the public the chance to take part in excavations on Clare Castle in Clare Country Park. People of all ages, with or without experience are encouraged to take part!

Until Monday 4th March, priority will be given to residents of the parish of Clare, members of Clare Historical Society and students registered at Stour Valley Community School. After 4th March, applications are welcomed from all Stour Valley residents

We especially welcome anyone who would like to dig, or host, a 1m² test pit in their garden if they live close to the castle.

The project will be run by Dr Carenza Lewis, well-known from Channel 4's *Time Team* and BBC's *Story of England* and *The Great British Story*.

You can find out about Access Cambridge Archaeology's 2011 community excavations in Clare at <http://www.arch.cam.ac.uk/aca/clare.html>

For more information, application forms and to register your garden for a test pit visit our website:
